Thanks Lisa. I don't see why we can't have the entire number on the order form.

Denise,

Can you do that? Let me know if it will be a problem. I don't know any reason why it should be...

Sheila,

Product/SKU numbers are as follows (same number for both):

Leather Belt S/M: 889113
Leather Belt L/XL: 889121
Leather Backpack: 889139
Leather Duffle: 889147

} use as item numbers

Since this will be considered a miscellaneous program on our part, can we print the entire 6 digit number on the order form?

Lisa,

Here are the POS numbers for the May direct mail program items. Could you please assign the item numbers and the SKU's for shipment so that we can add it to the art and keeline.

Thanks,

Sheila
